# WELCOME TO MEMENTO!

The platform dedicated on enriching bonds, events and shared  
memories between you and your loved one

NEXT

# **Hi, before we start let us explain how platform can help you create great memory for your love.**

## **Aim**

We are memento and we aim to strengthen the bond between you and your loved ones. We do so by highlighting commonly shared experiences.

## **How does it work**

We created this interactive tool that foster relationship bonding by using triggers to increase the recall of shared memories between you and recipient.

**NEXT**

# How it works

These 3 steps will help us accentuate the message you have for your loved one through a narrative that starts the moment they receive their memento to the.. at the end when they unwrap the gift.

## Step 1

You can create a tangible token, this token comes in various forms from post-card to key chain. The token of your choice can be personalized in multiple ways.

## Step 2

Select a present from our selections that carefully curated to empower bonding experiences. No matter how unique your relationship we are sure we have something for you

## Step 3

Last step is to choose the way to wrap up your gift that are truly unique. It will be an exciting experience and surprising for the recipient.
